

Avalon Middle School

Summer Reading Challenge **UPDATE**

Let's have a GREAT summer of reading!

This year's challenge will be to read 7 books total.

You may choose a book of your choice from any genre...realistic fiction, action and adventure, fantasy, mystery, etc. (4 books).

In addition to these selections, we are requesting that you read at least 3 of the Sunshine State Books.

Since schools will not be open to students during the summer, students can keep track of their titles read and then will be able to take AR quizzes on those titles during the first two week of school.

Students can also track their minutes and books using Beanstack through Launchpad using the challenge "OCPS Summer Reading 2020-AMS". First place prize for the OCPS Beanstack challenge is a Kindle!

Students that complete at least 5 books, will be invited to the summer reading ice cream social during the 1st nine weeks of school. Students that complete the entire challenge (7 books) will receive a special prize as well! Questions? Please email Shana Wax shana.wax@ocps.net or Amy Brett amy.brett@ocps.net

Keep Reading Huskies!
