## Build Resume

Overview: Naviance Student offers Resume Builder to provide a framework for your resume development. Resume Builder can be used to decide and work on different resume sections, and then the build tool can be used to export the resume as a PDF or Word file. The Word file is a fully-editable version of the resume.

**Note: You must SAVE the resume in order for the task to be marked as completed.**

1. Click on My Planner and select **Tasks**.
2. Under the Tasks Assigned to Me tab and Tasks you Need to Work On, click on Build Resume.

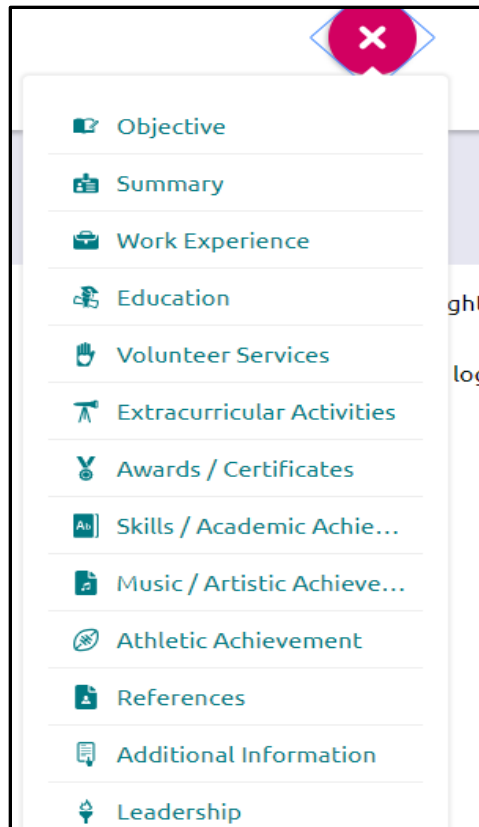

3. Click the **Plus sign** to begin building a resume.

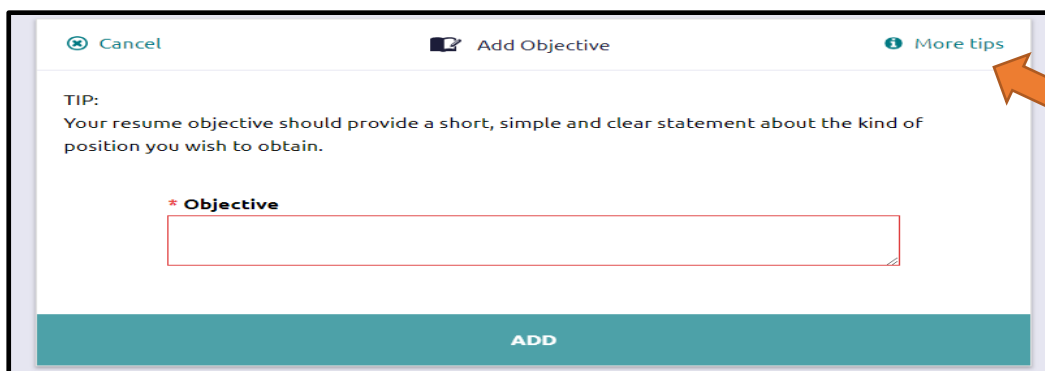

4. Clicking on the Plus sign will give you sections to select to begin building your resume. Although there are many resume sections available, the most common are:

- Objective
- Summary
- Work Experience
- Education

5. Clicking on a section will give you tips on how to complete that section. You can also click on **More tips** to see additional information.

- Each section provides related fields of data to complete. Enter in the information as needed.
- Use **ADD** to complete and add the section to the resume.

Example:

Cancel Add Summary More tips

TIP:  
A summary statement is a quick way to highlight the most significant accomplishments and skills on your resume.

ADD

- Once an item is added, a new option displays to Add new information for that same section.
  - EXAMPLE: if you have had multiple jobs, you would use **Add New Work Experience** after entering your first job in the Work Experience Section to input your second job.
- Use the Edit and Remove options in each section as needed.
