

Parents,

This year, we will be holding a virtual Open House using Flipgrid. You can access our school's Flipgrid on Tuesday, October 6th from 6 to 8 p.m. by visiting www.flipgrid.com/amsopenhouse. Be aware that the site will not be available until the evening of October 6th. The directions below will help you navigate through this platform.

1. Have the names of your child's teachers handy. You can log onto your child's Skyward account to view their schedule if needed.
2. Go to www.flipgrid.com/amsopenhouse to enter our Open House. You can access the site on your mobile, desktop, or laptop.
3. On the homepage of the site you will see Ms. Furno's Principal's Message.
4. To locate specific information about your child's classes, click on the 'View Topic' menu at the top left corner of the page. From there, you can select the subject area in which to view.
5. Scroll down to the bottom of the page to view a video of your child's teacher.
6. After viewing the video, you can click on links specific to your child's grade level. Each subject has created a presentation for parents. Some presentations may take a moment to load. If it doesn't automatically appear in present mode, you may need to press present. You can also access teacher contact information by clicking on their names. After you view a teacher or department page, you can close it out and toggle back to Flipgrid and repeat the process.
7. If you have any specific questions for your child's teacher, you can use the 'Questions Click Here' link that is listed on all department pages.
8. Once you have viewed your child's teacher presentations and videos, please go back to the Principal Tab/Topic and click on our virtual page. This page includes a wealth of information that will help support you and your child this school year.
9. A Live Chat will be available on the Principal's page if you would like to ask questions. The chat window will be open from 6-8 p.m. on October 6th.

The live chat can be accessed by clicking on the link below:
