Once in the class, you will be taken to the Home Page. Here is a sample home page for a math class to give you an example of what you will see. From there click on the Announcements on the LEFT sidebar where the teacher has given specific information for students.

Many teachers will be using Big Blue Button for their instruction. You can find BBB under the Conferences tab.

Be sure to watch the clock and follow the directions given by your teacher.

At the end of the class you will go back and follow the same steps for your next period.
